

CERTIFICATE OF ACHIEVEMENT

Proudly presented to

Ciro Alosa

For completing the **Expert Bootcamp** in Paris 2025

SKILLS ACQUIRED

Generative Design

Generate new production grade geometries through learned parametrization from historical data

Advanced Physics Insights

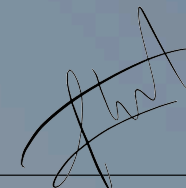

Compose complex modeling architectures balancing wide exploration and in-depth analysis

Building Components

Engineer new composable blocks for your use case and fit them to your methods

Paris, October 3, 2025

LOCATION & DATE
